

The Radnor Conservancy Conservation Buyer Program

is designed to match conservation minded buyers looking for property in Radnor with appropriate conservation land identified by Radnor Conservancy as critical for protection. Additionally, conservation minded sellers may enlist Radnor Conservancy to identify conservation buyers for their land.

Name _____ Date _____

Address _____

Phone and email _____

1. Description of your ideal conservation property:
2. Number of acres desired?
3. What is your preferred location?
4. Intended use of property? (residence, horses, business, etc.)
5. Do you prefer to build new or find land with existing structures?

6. What is your need for structures on the property? (Main residence – size, tennis court, swimming pool, deck, etc.)

7. Are you interested in historic structures or restoration possibilities?

8. What is the price you would expect to pay for the ideal property (please give range)?

9. Do you have time constraints as to when you would like to purchase?

10. Do you have any other information that might help the Radnor Conservancy find the right conservation property for you?

11. If you were to purchase a property in Radnor, would it be your intention to donate a conservation easement on that land to preserve its natural and scenic resources?

12. Are you working with a real estate agent?

If yes, name of agent_____
